Last name	First name	Middle initial
Name of business (if other than above)	Social Security Number/ITIN	or EIN

A) Does NSHE pay others, as employees, who perform the same duties that are to be performed by this independent contractor?  Yes  No

B) Is the recommended independent contractor a current or former (within the current calendar year) employee of any institution of the Nevada System of Higher Education (which includes College of Southern Nevada, Desert Research Institute, Great Basin College, Nevada State College, Truckee Meadows Community College, University of Nevada, Las Vegas, University of Nevada, Reno, Western Nevada College or any NSHE Offices)?  Yes  No

If the answer to question A or B is "Yes", do not proceed with this form. Process the payment on an employment document.

C) Is the recommended independent contractor a member of the same household as a NSHE employee?  Yes  No

If the answer to question C is "Yes", do not proceed with this form. Under the Board of Regents "Conflict of Interest" policy (B/R Handbook, Title 4, Chapter 10), payment is not allowed unless authorized by the institution's President under B/R Handbook, Title 4, Chapter 10, Section 1(7)(b).

D) Does the Contractor's business have a principal who is a current or former Nevada State employee?  Yes  No

If "Yes", Contractor must provide TMCC with a current Certificate of Good Standing issued by the Nevada Secretary of State.

E) Is the recommended independent contractor a U.S. citizen or lawful permanent resident (green card holder)?  Yes  No

If the answer to question E is "No", contact the Cashier's Office for additional documentation requirements and approval of Section VI, Foreign National.

## II. CONTRACT EFFECTIVE DATES, SCOPE OF SERVICES AND PAYMENT TERMS

This Contract shall be effective from \_\_\_\_\_ to \_\_\_\_\_.

(A) Explain in detail what the independent contractor will do (specifically what will be done, where the work will be accomplished, and when the work will be completed).

- (B) Indicate the total amount of the payment and the date when the payment will be made. If this contract exceeds 45 days in length and completion benchmarks have been agreed to and progress payments are to be made, indicate each benchmark and its associated progress payment dollar amount. The final payment date should be the ending date of this contract.

### III. EVALUATION FOR DETERMINING INDEPENDENT CONTRACTOR STATUS

Hiring personnel are responsible for the work individuals are to do and providing information to properly classify them as employees or independent contractors. The following questions are intended to measure the extent of control which the NSHE may exercise over the worker. Generally, if there is a good deal of control over what the worker does and how the worker does the work, there should be an employee relationship established. If there are few elements of control, an independent contractor relationship may be appropriate.

1. Does the NSHE have the right to require control of when, where and how the independent contractor is to work?  Yes  No
2. Will the NSHE be providing training to the independent contractor?  Yes  No
3. Will the NSHE be furnishing the independent contractor with worker's space, equipment, tools, supplies or travel expenses?  Yes  No
4. Does the arrangement with the independent contractor contemplate continuing or recurring work (even if the services are seasonal, part-time, or of short duration)?  Yes  No
5. Will the NSHE incur an employment liability if the independent contractor is terminated for failure to perform?  Yes  No
6. Is the independent contractor restricted from offering his/her services to the general public while engaged in this work relationship with NSHE?  Yes  No

Answers to questions 1-4, above may have a "Yes" or "No" response. If the response is "Yes", the department must be able to specifically identify why that response is a "Yes" and indicate that information in the box, below. A "Yes" response to questions 5 and 6 would indicate that the relationship is not that of an independent contractor, but that of an employee, and the payment must be processed using an employment document instead.

If "Yes", please explain:

### IV. INSURANCE REQUIREMENTS

The Contractor shall not commence work before proof of the required insurance is evidenced by a Certificate of Insurance on an ACORD 25 form, provided by the Contractor's insurance agent or broker.
