WebCollege Update – Sarah and Elyssia

Sarah and Elyssia provided a demonstration and brief tutorial to open the new design tools in Canvas. A suggestion from the committee was to add the use of the new software to the Annual plan.

Optional Online Faculty Self-Evaluation Form

The committee continued its discussion of the Optional Online Faculty Self-Evaluation Form. You can receive 2 points for completing the form on your annual plan. Chair Blisin noted some updates that could be done to the form such as changing the WebCollege Program Director to a different reviewer. The WebCollege Program Director is listed on the form because the form is used as a prequalification for the Quality Matters program.

New Business

The committee thanked Blisin for her leadership and are looking forward to working with Frank Amankonah.
